- Awards ceremony tomorrow (Tuesday)
- Resource Fair on Wednesday on the 12<sup>th</sup> floor for volunteer activities
- The proposed oil and gas NSPS is coming out on Thursday with a new regulation for methane (not sure how this will affect PD-Q yet)
- The King Gold Mine spill in Colorado is affecting Colorado, New Mexico, Arizona, and Utah (the Animas River). There is media coverage – should you get a call, please refer it to External Affairs

Thanks, Fran

Not a lot today, as I am still figuring out what is important to relate to you.

1. Please submit travel in CONCUR for any necessary trips by COB Tuesday, so that we can fund them. Trips starting now through September 1 are a must. Trips from October 1 through October 31 are requested and will be funded as much as possible. (IF YOU HAVE TRAVEL that you think is beneficial to the Agency (such as training that has not been discussed yet), I will take it to Mark and see if there is additional funds.)
2. Awards Ceremony is tomorrow afternoon. Please plan to attend.
3. Mark will be out on Thursday and Friday; if you need his signature on something, be sure it gets to me by noon on Wednesday.

Not much else yet.
